HOME PHONE NUMBER	
MOBILE PHONE NUMBER	
EMAIL	
KENNEL NAME (AFFIX)	
This Kennel Name is registered with: (circle any which apply)	KC / NAMASCUSA / AKC / MASCA
UKMASC MEMBERSHIP NUMBER	

SECTION 2: DECLARATION
<p>I have read and understood the requirements of being a UKMASC 5* Breeder and I undertake to comply with them and hereby apply to be a UKMASC 5* Breeder.</p> <p>The information I have provided about my Dog(s) is correct and complete. I agree to provide UKMASC with the results of any further health tests that my Dog(s) may have.</p> <p>I accept UKMASC's Privacy Policy regarding the information I supply on this form.</p> <p>I accept that in the event of my non-compliance, anomalies in my procedures or complaints against me upheld by the Committee, my name may be removed from the list of 5* Breeders and I will no longer be entitled to use the Scheme literature, logo or accreditation.</p> <p>I understand that the 5* Breeder scheme is a privilege of membership of UKMASC and that my involvement with the scheme is dependent on my continued membership of the club.</p> <p>APPLICANT'S SIGNATURE: _____ DATE: _____</p>

SECTION 3: SCHEME DISCLAIMER
<p>The UKMASC 5* Breeder Scheme promotes and encourages good practises in dog breeding. It does not guarantee the health or disposition of a dog.</p> <p>Compliance is the responsibility of the breeder and UKMASC maintains the right to de-list breeders from the scheme in the event of a grievance upheld by the Committee. The purchaser retains his/her statutory and contractual rights.</p> <p>UKMASC disclaims any liability relating to the health or disposition of a dog or the conduct of 5* Breeders.</p>

SECTION 4: ATTACHMENTS
<p>This application must be accompanied by one copy each of:</p> <p>(a) a three-generation pedigree (minimum) of the Dog showing all known registered numbers</p> <p>(b) health test result certificates for all results stated in section 6</p> <p>(c) the Breeder's current Puppy Sales Contract.</p> <p><b>Submit only copies, do NOT submit originals of these documents.</b></p>
